Announcements

Pastor:

(see Pastors report). We have more new members coming in and a Baptisms.

April 16 will begin the Confirmands testimonial.

Discussion

Chad: The camera system through LINK that we got a quote for is not hooked to the security system. They would be a stand alone system. The quote we received would be for 4 cameras inside at \$2000. The system can be expanded to 8 cameras with a 7 to 10 day loop recording. This would be on a VPN and password protected.

Daniel: Updated the Council on the Strategic Planning Team progress. (See attached)

Open Action Items:

Follow up on strategic planning for staffing. Set up regular meetings for the Sub group.

Dan will update and send out the time and talents form.

Chad will work with Craig to contact the security company and get an estimate on upgrading our current system with cameras.

Motion to adjourn the meeting 8: 06 pm. M/S/Approved

Pastor closed with Prayer.

Respectfully submitted.

Leslie Mason
